REVIEW REPORT SHELTER INFRA PROJECTS LIMITED

To The Board of Directors DN-1, Sector-V, Salt Lake Kolkata-700091

We have reviewed the accompanying Statement of Unaudited Financial Results of Shelter Infra Projects Limited for the quarter and half year ending 30th September'2018. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these Financial Statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, Engagements to Review Financial statements issued by the Institute of Chartered Accountants of India. This standard requires that, we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to enquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an Audit. We have not performed an Audit and accordingly, we do not express an Audit opinion.

We have the following observations: -

1) Payment against Director's Remuneration since earlier financial years aggregating to Rs.42.53 (Rupees forty two lacs and fifty three thousand only) is pending approval from Deptt. of Company Affairs though application had been made to this effect by the Company.

Based on our review conducted as above and subject to above observation, nothing has come to our attention that causes us to believe that the accompanying statement of Unaudited Financial Results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies have not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
